**Presentations/discussions/rollovers:**

Terry reported that in order to discover if any club is holding over \$25,000.00, each club must be financially accounted, and that she has checked each Lincoln County Club. All clubs checked out financially OK.

Lydia reported from the Fair Board that a new dress code for 4H and FFA livestock exhibitors, and adopted Round Robin rules will all be listed in the premium book. In addition, Lydia mentioned that barn superintendants are still needed for cats, rabbits, demos, open crafts, honey, and fine arts.

Discussion was held regarding the desire to increase communication between clubs and leaders council, and to ascertain what the current 4H clubs in the county need from the council. It was decided that through email, Leader's Council will try to design a survey to go out to clubs/parents/families to hopefully gain this insight.

Dawn adjourned the meeting at 9:25 pm.

August meeting will be held at the Fair, Sunday, Aug. 30<sup>th</sup> at 7:30 am in the 4H Bldg.

Respectfully submitted by Joyce B.
